

We asked our friends from the  
Animal Rescue League of Iowa  
to help us start spreading  
a little holiday cheer.

(They're also good at smearing, smudging and streaking!)

*...from all of us, to you!*

In celebration of the season, Relationship Marketing, Inc., has made a donation to the Animal Rescue League of Iowa in your name. In addition to finding loving homes for thousands of dogs and cats each year, ARL also provides humane education programs and animal assisted therapy programs for people with special needs.
