

Healthier Air...
Healthy Savings.

Turn to the Experts.™

A change in the air.

A Carrier system
for everyone

Carrier knows
air conditioning.

After all, we
invented it —
and we've been
perfecting it for
over a hundred
years. Our
advanced

Infinity™ Series
offers the highest
efficiency, while
our Performance™
and Comfort™ Series
products provide
economical
efficiency and
complete comfort.

Healthier indoor air is just a phone call away. So is year-round comfort and energy savings. That's because your local Carrier dealer cares as much about healthier indoor air as he does indoor climate and humidity control. And he has a system that's just right for you. So get healthy air with healthy savings ... and get comfortable with Carrier. Call us today.

**Purchase by June 29th
and SAVE UP TO \$1,200**

The most effective
way to enhance the
quality of air in
your home.

State-of-the-art Carrier air filtration systems such as the Infinity™ Air Purifier effectively remove bacteria, pollen, animal dander and other pollutants as small as 0.01 microns—that's 18,000 times smaller than the head of a pin.

- Captures and kills harmful airborne bacteria, viruses, mold spores and allergens
- Whole home air purification
- No cleaning required

Your Carrier
dealer will
bring total
heating and
cooling
comfort in a
healthier
environment.

A change in the air.

Having a healthy home is a comforting thought. Having the ultimate in year-round climate control, humidity and indoor air quality is comfortable living. Our Infinity™ System with optional air purifier removes and kills more airborne germs, pathogens and allergens. Plus Infinity is engineered for maximum energy efficiency. Get healthy air with healthy savings — get comfortable with Carrier.

Surround yourself with comfort — Carrier's expert heating, cooling and humidity control.

Healthier Air... Healthy Savings.

Turn to the Experts™

A change in the air.

Surround yourself with comfort – Carrier's expert heating, cooling and humidity control.

Carrier's home heating and air conditioning systems mean purer air and lower energy bills. Save up to 52% on your cooling costs and up to 37% on your heating costs with a Carrier Infinity Air Conditioner and Infinity 96 Gas Furnace — engineered for maximum energy efficiency. Plus you get total, fingertip control of indoor humidity and perfect temperature settings. That's a nice change.

What price do you put on healthy air?

There's more than bubbles floating around.

What price do you put on healthy air? It's what you can't see that worries you — the germs, pathogens and allergens floating in the air your family breathes. Carrier's home comfort systems come with an optional air purifier that not only removes airborne germs and pathogens from your indoor environments, but kills those organisms, as well. Healthier home — healthier living!

Easily manage your home comfort

With Carrier's Infinity Control thermostat, you have precise control over temperature, humidity, air treatment and scheduling.

- Intuitive prompts
- Monitor air quality products
- Control fan speed
- Control ventilation
- Largest temperature display in the industry
- Day-at-a-glance 7-day programming
- Models available with Remote Access for Internet or phone access
- Models available with up to 8-zone capability
- Large, easy-to-push buttons
- System maintenance reminders

The Ultimate in
Technology for
Comfort Control.

Let's clear the air.

Unwanted visitors may be fouling the air your family breathes — airborne germs, pathogens and allergens. The Infinity™ System with optional air purifier removes and kills nasty organisms in your air — and saves you money at the same time. Infinity's energy efficient operation reduces utility bills while giving you complete indoor comfort. See your Carrier dealer today.
