YOURSELF AS
OUR SPECIAL
GUEST!

Vermeer — for 50 years, a world leader in reliable, productive, trenching machines.

GET THE PICTURE?

When it comes to trenchers, Vermeer machines are the portrait of productivity. Vermeer manufactures and delivers a versatile line of high-performance machines that have — for five decades — trenched their way through some of the toughest conditions on 6 continents.

And because Vermeer offers one of the most diverse lines of trenchers in the world, you'll find a machine that's picture-perfect for your kind of work. Put half a century of engineering history to work on your next job — with Vermeer.

SEE THESE VERMEER TRENCHERS IN ACTION, AS OUR SPECIAL GUEST AT THE VERMEER TRENCHER ROAD SHOW, APPEARING SOON IN YOUR AREA.
